

**Although we no longer host musicians at our own venue,
through our connections, we do our best to help Musicians
find Gatherings, Parties and/or otherwise Music Venues in
need of connecting with each other. (We do not charge or
take any fees. Just doing our part to promote music and art.)**

If you're a Musician in need of a gig, or a Gathering (Party)

and/or Venue in need of a Musician, please email us at

bigdavesbbq@live.com for further discussion.
